Friday 9th September 2022

Dear Parents and Carers,

HRH Queen Elizabeth II

Today we held a school assembly to celebrate the life and achievements of HRH Queen Elizabeth II. Our pupils have shown a great deal of respect during our reflection time today and whilst participating in discussions within their class environments. We are extremely proud of the understanding and appreciation our pupils have shown.

We hope all of our pupils have enjoyed their first week back with us and that your child/children are enthused about their learning journeys ahead.

Each pupil will bring home a curriculum map with them today or Monday to enable us to share the intended learning with you all for each class. (These will also be available to view on the class pages linked to our website).

We are continuing to implement our project approach to the curriculum with teachers aiming to link all key learning from each subject area.

Project enquiry question:

Class 1 - Who am I?

Class 2 - What makes me ME?

Class 3 - What is ART?

Class 4 - Can you explain what happened in the beginning?

Please talk to your child/children about their project enquiry questions to support them with their learning this term.

Bookable Meals System on ParentPay

Thank you all so much for your support with booking meals on ParentPay this week. We have had a few issues with bookings, including some bookings being wiped off by ParentPay when parents log in to check that the meal is booked- thank you for your patience with this. From next week, we will be sending texts out to parents whose children have come in without a packed lunch and do not have a meal booked for them. This is just a courtesy message as your child will be able to have the plain/tomato/cheese pasta as the default option and the money owing (if applicable) will be added to ParentPay.
