Friday 13th October 2023

Dear Parents and Carers,

The pupils have had a wonderful week this week which included us having time to reflect on our mental health. Pupils were supported to understand what mental health it, how important it is to look after our mental health and what we can do to make us feel happier.

Ideas to support our mental health included:

Being outdoors - going for a walk
Staying hydrated - drinking plenty of water
Ensuring we have a good nights sleep
Seeing family and spending time with our loved ones
Doing activities we enjoy
Ensuring we have calm moments in our day

Please take a look at our social media sites for examples of the learning experiences that have taken place this week.

Parent/Carer View

This week, I have been asking staff if they can answer these questions:

What makes Summercourt unique?
What makes us different to other schools in the area?
What do we offer that other schools don't?
What are we be proud of?

It would be brilliant if I could also gain your view, as parents and carers, of why Summercourt is your school of choice for your child/children.

Please could you click on the link below to give us your view.

As always, we also welcome any feedback linked to how we can further improve our provision and if there are any areas which you feel we need to develop. If you
