This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

### Part A: Curriculum music

Pupils are taught music weekly using the Charanga Spiral curriculum. In addition music is incorporated across the school within daily routines and songs, break times, assemblies, curricular links and performances.

Our music offer:

- Our school music curriculum is informed by the National Curriculum, this is delivered using the spiral curriculum format from the Charanga programme.
- Example opportunities for pupils to learn to play an instrument, perform and sing are enabled through; School choir, drama club, Rocksteady, Listen, appraise, improvise and perform within the Charanga programme and Cornwall Music Service Trust.
- Summercourt Academy and the music lead works in partnerships with the ASONE Music Hub, Cornwall Music Service Trust, Hall for Cornwall, Royal Shakespeare Company and the Aspire Music Network / Hub schools sharing instruments and resources.

All pupils access quality Wave one music teaching, pupils with Special Educational Need and Disability (SEND) are supported in the following ways;

The provision on offer for our SEN students in music reflects the intent of the subject itself. Our students, regardless of need, are encouraged to develop their musical knowledge encouraging them to listen to a variety of musical genres.

- Specific provisions for SEN children include:
- A safe space which encourages open discussion on the concepts being taught and provides the environment needed to take risks for new learning.
- Adult support.
- Work can be differentiated based on the needs of the student, scaffolded in a way that makes it accessible to their individual learning need.
- Adapted tools and equipment.

Pupils are able to access a choir club, a key stage two drama club and small group instrument and singing support during specific terms.

Pupils are able to access a variety of instrumental lessons through the Rocksteady programme which takes pupils from reception to year 6.

- Rocksteady offers the facility for children to learn the drums, guitar and keyboard.
- Space for pupils to rehearse and perform is allocated, for example the Rainbow Room is booked out one morning a week for the Rocksteady programme.
- Instruments shared with hub schools within the trust.
