Friday 10th January 2025

Dear Parents and Carers,

The pupils have had a brilliant first week back and have started learning about their new enquiry project questions. Please talk to your child/children about this as the discussions will support them all to know more and remember more.

Project questions for Spring:

Class 1 - What is the Weather Today?

Class 2 - What makes a good pet?

Class 3 - What is the Most Powerful Force on Earth?

Class 4 - Does it take bravery to invent?

Wraparound Bookings

Please book wraparound sessions by 2pm on Fridays for the following week. If you need to book after this time please contact the school prior to booking on ParentPay, so that we can ensure we have the correct staff:pupil ratios

Extra-curricular and booster clubs

Extra-curricular clubs and boosters will start next week (except for Y1&2 Gardening and YR&1 Lego clubs which start after February half term). Emails were sent today to confirm places.

Census Menu next Thursday 16th January

The census menu next Thursday (voted for by the pupils 😊) is:

Hot dogs with wedges, beans/sweetcorn
Veggie hot dogs with wedges, beans/sweetcorn
Chocolate and vanilla sprinkle cake

Please rebook for this day on ParentPay

Our meal funding for the year is determined by how many **KS1** pupils have a school meal on census days. Please could we therefore ask that if possible, all KS1 children try a school meal (or just a dessert!) even if they bring a packed lunch with them too just in case. Thank you for your support.

Message from NHS Pharmacy First Service:

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

| Common condition | Patient eligibility |
|----------------------------------|----------------------|
| Earache | 1 to 17 years |
| Impetigo | 1 year and over |
| Infected insect bites and stings | 1 year and over |
| Sore throats | 5 years and over |
| Sinusitis | 12 years and over |
| Uncomplicated urinary tract | Women 16 to 64 years |
| Shingles | 18 years and over |
