

Spiritual Development

Our children explore emotions through music and we encourage

- ◆ Reflection on different kinds of music
- ◆ Exploring creativity in composing
- ◆ Using imagination in group work, songwriting and composing
- ◆ Exploring collective thinking in group music making
- ◆ Seeking to understand how music reflects the beliefs of others
- ◆ Composing music which explores their own beliefs

Social Development

To aid social development, in Music, we

- ◆ Encourage class/group collaboration on musical projects
- ◆ Create a sense of community
- ◆ Celebrate successes, both in and out of school
- ◆ Interact with the community through events or visits

SMSC in Music at Summercourt

Moral Development

Through Music we

- ◆ Encourage respect for others
- ◆ Encourage respect for a whole range of music
- ◆ Encourage respect for instruments
- ◆ Explore moral issues through a range of listening, performance or composition

Cultural Development

In Music sessions, we develop our children's awareness of cultural development by fostering

- ◆ Respect diversity in music
- ◆ Respect the musical heritage of different cultures - learn to play the music of other cultures
- ◆ Gain an understanding of British Musical Heritage (classical, folk and popular)
