

Summercourt Academy

Head of School: Miss L Savage

Friday 10th March 2023

Dear Parents and Carers,

We have all had a wonderful day at Summercourt today, with each class learning about their Religious Education enquiry question. Please talk to your child/children about the learning completed today to further consolidate their understanding. Please also take a look at our social media sites for examples of the learning completed this week.

We were very lucky to have a visit from the 'Beach Guardian' organisation yesterday with class 2, 3 and 4 learning about the negative effect and impact of rubbish, especially plastic, within the environment. During the visit pupils were encouraged to always recycle recyclable materials and to use reusable bottles instead of single use plastic bottles and cups etc. to help reduce the negative impact plastic and rubbish has on our oceans and beaches.

The Beach Guardians have given us a Lovat Parks' toiletries recycling scheme unit. Empty beauty, health and dental products that can't be recycled at home can be dropped off at the recycling unit. The unit is positioned in the main school office. Refractory then collect the items and create useful resources out of them such as mud kitchens.

We are very excited to be able to support the 'Beach Guardians' with this project.
